**To whom it May Concern**

Dear Sir or Madam

**Re: Mrs. Amanda Grobbelaar**

We had the privilege of hosting a Morning Tea on the 14<sup>th</sup> of April 2018 in Toowoomba QLD with Amanda Grobbelaar as the Inspirational Speaker. The theme was: "To Thrive in Every Season"

As a professional speaker Amanda

- Is Punctual and stays within her time limits out of respect for the host and her audience.
- Stays connected with her audience all the time and adapt her presentation accordingly.
- Is warm with an inner joy reflected in her eyes and continuous smile
- Colours her topic which may be heavy at times with wit and an outlook of gratitude and positivity
- Her references to the Bible and the Christian Faith are sound.

As a woman Amanda embraces Life and lives abundantly. She is an authentic and highly motivated person who "walked the talk" through the Valley of Suffering with MS. She received God's grace in healing and wants to share this incredible gift with others.

I can recommend Amanda without reservation. You will have an awesome time and your audience will be touched and blessed.

Kind regards
